| Elevidys | 2023-05-12 | PRIORITY | PRIORITY: https://investorrelations.sarepta.com/news-releases/news-release-details/sarepta-therapeutics-announces-us-fda-has-accepted-filing-and |
| NurOwn | 2023-09-27 | unverified | not found (unverified): FDA briefing https://www.fda.gov/media/172397/download does not name priority or standard review. Rechecked 2026-11-04: accounts describe a refuse-to-file, then a filed BLA; no acceptance sentence names the review type of the submission the committee reviewed. |
| CARVYKTI | 2024-03-15 | STANDARD | STANDARD: FDA statistical review of efficacy supplement STN 125746.74 (CBER received 6 Jun 2023) states "Priority Review: No". The indication is relapsed or refractory multiple myeloma after at least 1 prior line, the 15 Mar 2024 ODAC. https://www.fda.gov/media/177750/download |
| ABECMA | 2024-03-15 | STANDARD | STANDARD: FDA clinical review of sBLA 125736/218, submitted 15 Feb 2023, header "Priority or Standard: Standard". The proposed indication is relapsed or refractory multiple myeloma after an immunomodulatory agent, a proteasome inhibitor, and an anti-CD38 antibody, the 15 Mar 2024 ODAC. https://www.fda.gov/media/177864/download |
| (deramiocel) | 2026-07-29 | unverified | unverified for the reviewed submission: PRIORITY applied to the original BLA (https://www.capricor.com/investors/news-events/press-releases/detail/305/capricor-therapeutics-announces-fda-acceptance-and-priority); the adcom reviewed a Class 2 resubmission (https://www.capricor.com/investors/news-events/press-releases/detail/338/capricor-therapeutics-announces-establishment-of-new-pdufa). Rechecked 2026-11-04: no source names the review type of the resubmission. |
| TUDRIQEV | 2026-07-30 | unverified | unverified for the reviewed submission: PRIORITY applied to the original BLA (https://ir.replimune.com/news-releases/news-release-details/replimune-announces-biologics-license-application-acceptance-and); the adcom reviewed a Class 1 resubmission (https://ir.replimune.com/news-releases/news-release-details/replimune-announces-fda-acceptance-rp1-biologics-license). Rechecked 2026-11-04: no source names the review type of the resubmission. |
